

OFFER FROM TRAVELPOINT

European Swimming Competition - Budapest, May 31 – June 7, 2020.

Number of participants: 20-40 pax

We believe that Budapest has a lot to offer to every visitor, while the price level is still relatively low. It is a beautiful city full of culture and scenery, with great food and wines, affordable prices and last but not least Budapest is among the 15 safest places in the world. Budapest has the title of „European best Destination 2019”

Hungary and Budapest enjoy favorable geographical conditions in terms of freshwater resources. The entire country, including urban and rural areas have 100% access to safe drinking water. The Danube, the connecting artery of the city provides a magnificent backdrop for the newly built, state-of-the-art Danube Arena, the largest and most modern indoor swimming pool arena in Europe.

Budapest has successfully hosted the last FINA World Championships & FINA World Masters Championships in 2017. The great aquatics venue of Duna Arena will be staging other major swimming events this year ranging from the FINA Champions Swim Series, to the FINA World Junior Championships and also to the FINA Swimming World Cup. Budapest was named Sport

capital of Europe in 2019, so we are proud that swimming will significantly contribute to the international sport activities of the Hungarian capital. As far as the future is concerned, in 2024 Budapest will host the FINA World Swimming Championships (25m) and the FINA World Aquatics Convention.
